

AFFILIATION AGREEMENT
Between
ROWAN COLLEGE at GLOUCESTER COUNTY
&
ROWAN UNIVERSITY
HENRY M. ROWAN COLLEGE OF ENGINEERING

Rowan College at Gloucester County

Rowan College at Gloucester County (RCGC) is a unique collaboration between formerly Gloucester County College and Rowan University offering students a direct, cohesive route to a bachelor's degree with easy transfer of credits. This premier partnership strengthens the College's mission to make an affordable, quality education available to all students without accumulating enormous debt. The College promotes the retention of South Jersey students to better the region's economy through a highly-educated workforce and stronger tax base.

Henry M. Rowan College of Engineering

The Henry M. Rowan College of Engineering provides programs which combine theory with practice to educate students who can contribute to the solution of today's problems and continue their education through life-long learning. The curriculum comprises carefully chosen blends of basic sciences, engineering science, engineering design, practical engineering applications and humanities and social sciences.

Majors in Biomedical Engineering, Chemical Engineering, Civil Engineering, Electrical & Computer Engineering, Engineering Entrepreneurship, and Mechanical Engineering are offered. All majors are accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET) (pending initial review of the Biomedical Engineering and Engineering Entrepreneurship programs).

Terms of the Agreement

1. The program of study must be completed for seamless transfer in each major, as provided in the attachment.
2. The cumulative GPA required for automatic acceptance is 3.5. Students who do not meet this requirement but have a GPA of at least 3.0 will be given strong consideration.
3. An annual review will be held at the end of each school year, and form the basis of any changes to this agreement.
