### Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) and American Rescue Plan Act, 2021 (ARP) section (a)(1) and (a)(4) programs Fund Report

The U.S. Department of Education (Department) publishes an Information for Financial Aid Professionals (IFAP) Electronic Announcement (EA) that describes the public reporting requirements for Emergency Financial Aid Grants to Students under the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) and American Rescue Plan Act, 2021 (ARP) section (a)(1) and (a)(4) programs.

Under the CRRSAA and ARP (a)(1) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants
