STEM DIVISION

Science, Technology, Engineering and Mathematics

Engineering Technologies Civil Engineering Technologies
Certificate of Achievement

The Professional Development Certificates in the Engineering Technologies Civil Engineering Technologies program will provide the students with a concentration of courses that parallel the Associates Degree program. The certificates below give students the knowledge and skills needed for employment in their respective fields. Once a certificate is completed, students can continue with the remaining course requirements leading to an A.A.S. degree in Engineering Technologies from Gloucester County College.

Professional Development Certificate

REQUIRED COURSES	Credits
CET 101 Introduction to Materials	3
