

Rowan College of South Jersey

Administrative Procedure: 3103

DEGREE/CERTIFICATE REQUIREMENTS

A student requesting to graduate from Rowan College at Gloucester County with an associate degree or certificate must:

- Earn a cumulative GPA of 2.000 or higher
- Complete all required courses for his/her program of study
- Earn at least 24 of the required credits in courses taken at the College

Certificate candidates must earn between 12 and 34 credits in courses taken at the College, depending on the specific certificate requirements. The program that exists the year in which a student matriculates dictates graduation requirements. Exceptions may be made by the appropriate academic dean.

Each student is responsible for completing all of the requirements and must complete a Graduation Petition through the Office of Advisement to establish eligibility for graduation.

Transfer students must also complete a minimum of 24 credits to graduate from the College with a general associate degree. Additionally, if a student transferring into the College wants to complete an associate degree in a specific major field/option, a minimum of three (3) courses specific to that major field/option must be among the 24 credits completed at the College.

Students who request to transfer courses into the College's certificate programs must complete half of the credits for such programs at the College, except for the Paralegal certificate program which limits the transfer credits from another American Bar Association approved institution to just fifteen (15).

Area: Academic Services

Approved: 07/01/19

President's Authorization:

A handwritten signature in black ink, appearing to read "James Kearney".
