

**Rowan College  
of South Jersey**

Policy: 5103  
Title: **INDOOR AIR QUALITY**  
Area: Facilities  
Approved: 07/01/19

The Board recognizes that good indoor air quality is essential to employees' as well as students' health and well-being. As such, the Board takes responsibility at the College for implementation of the Indoor Air Quality (IAQ) Standard as mandated within the New Jersey Public Employees' Occupational Safety and Health (PEOSH) Act and, hereby, directs the President and his/her staff to develop administrative procedures to implement the requirements of the IAQ standard.

The President will have administrative procedures developed which will, at a minimum, address compliance and maintenance with required standards of IAQ.
