Policy: 8001  
Title: **ACADEMIC INTEGRITY**  
Area: Student Services  
Approved: 07/01/19  
Revised: 05/05/21

In its most elementary form, academic integrity encompasses the principles of an honest, fair, and continuing pursuit of the truth and means students are expected to author their own work. Moreover, the process takes place in an environment where each participant has a responsibility for dealing fairly with the other members of the community. The College is committed to the principle of academic integrity and the educational experience it fosters. The expectation to uphold the standards of academic integrity and honesty is the responsibility of every member of the College community.

The President will have administrative procedures developed to further define and implement this policy.
