### Associate in Arts (A.A.) – Transfer

This program provides the general education foundation necessary for students who are planning to transfer to a baccalaureate degree program in Radio, Television and Film. Using available elective credits, students will focus on the technical aspects of Radio, Television and Film as a specific field of study.

#### Program Learning Outcomes

Students who have completed the program should be able to:

- Demonstrate the basic operation of audio, video and multimedia equipment used to produce media presentations
- Define technical terms and language of media production
- Be able to formulate and plan productions and explain their plans both orally and in writing
- Develop their creative intelligence and use various media technologies to communicate information
- Describe the evolution of media technologies and industries
- Analyze the effects of media on individuals and society
- Evaluate media, including their own work and the work of others

**TOTAL MINIMUM CREDITS: 60**

### Program Notes

<sup>1</sup> Students should contact their advisor to clarify four-year degree transfer requirements and refer to the College catalog for course prerequisites.

<sup>2</sup> Students may substitute another history elective for these courses. Please see your academic advisor for additional details.

<sup>3</sup> MATH 101, MATH 102, MATH 115 suggested

Students who have credits from other schools or changed their major may not follow the generic course sequence sheet.

**After completing the *Radio, Television and Film Option, A.A.*, students may choose to continue with the bachelor's degree pathway at RCSJ.**

*The 3+1 Program enables students to complete three years of coursework at RCSJ and one year at Rowan University to earn a bachelor's degree. The 3+1 pathway follows Rowan's course curriculum, with junior year classes taught by RCSJ advanced-degree faculty.*
