

ROWAN COLLEGE OF SOUTH JERSEY
ACCOUNTING
Associate in Applied Science (A.A.S.) – Career
Program Requirements

The Accounting Career Program provides basic accounting knowledge and skills for success in business and industry. This program provides students with concentration in accounting along with a variety of courses necessary for entry into the business world. Students who successfully complete this program will qualify for employment as junior accountants. Students who have completed the program will be able to:

- Interpret, analyze, and communicate financial and managerial information for decision-making purposes
- Understand and create financial statements in accordance with generally accepted accounting principles
- Demonstrate computer literacy and competency with accounting spreadsheet applications
- Meet qualifications for entry-level positions in accounting or upgrade one's professional competence
