

**Rowan College of South Jersey
Law Enforcement
Program Requirements
Associate in Applied Science (A.A.S.)**

This program offers a broad professional education towards careers in law enforcement and criminal justice. Career related subjects are balanced with compatible supportive courses to offer a thorough preparation for, and advanced study in, the judicial system, police, corrections, security, and related fields. Students who have completed the program will be able to:

- Describe the Criminal Justice System
- Explain Crime and Criminological Theories
- Describe Policing Models and Practices
- Compose Investigative Reports
- Practice Methods of Investigative Analysis
