

[AAS-ENTR; CIP Code 52.0701]

Associate in Applied Science (A.A.S.) – Career

This program offers students a framework for understanding the role of an entrepreneur in leading start-up businesses and expanding small businesses. Students will develop and hone the necessary skills to compete in today's global business environment. This program connects students with the local business community to learn best practices from real-world experiences. Through theory and practical application, students will enhance their development of critical thinking, communication, and problem-solving skills, as well as adaptability and teamwork.

Program Learning Outcomes

Students who have completed the program will be able to:

- Prepare and present written and oral business presentations.
- Develop a business plan and identify areas of improvement.s
- Demonstrate an understanding of financial accounting concepts and risk assessment in the context of an entrepreneurial venture.
- Demonstrate an understanding of the competencies required to successfully start-up and manage an entrepreneurial venture.
