

ROWAN COLLEGE OF SOUTH JERSEY – CUMBERLAND CAMPUS
HUMAN RESOURCE MANAGEMENT
Associate in Science (A.S.) - Transfer
Program Requirements

The Human Resource Management program provides students with a broad introduction to both human resources and business to prepare them for transfer to a four-year institution or to begin work in the Human Resources field. Students who have completed the program will be able to:

- Identify human behavior and how organizations can develop a culture built on the principles of cooperation, support and respect.
- Utilize technology to capture, analyze, and communicate information that supports business processes and decision-making.
- Evaluate corporate responsibility, the implications of managers' and employees' actions, and laws that apply to people and organizations.
- Analyze how organizations can better adapt to their external environments by applying different methods to influence change.
