

ROWAN COLLEGE OF SOUTH JERSEY
GRADUATION CONTROL SHEET
NURSING GENERIC PROGRAM – Gloucester Campus
Associate in Applied Science (A.A.S.)

This program combines general education with nursing courses to prepare students for entry-level nursing practice. Upon successful completion of the program, graduates are eligible to apply to take the National Council Licensing Examination (NCLEX-RN) and to apply to a Board of Nursing for licensure as a Registered Nurse. The Nursing program is approved by the New Jersey Board of Nursing and accredited by ACEN.

	13
<u>Spring Semester</u>	
_____ NURS 240 Nursing IV	7
_____ NURS 245 Transition to Practice	4
_____ NURS 210 Nursing Global Issues & Trends	2
	13
TOTAL MINIMUM CREDITS:	60

Nursing is a selective admission program. Students must be accepted to the program prior to registering for any NURS courses.

Please contact the Enrollment Services Office for an admission packet.

Clinical agencies require criminal history background checks (CHBC) for all individuals engaged in patient care. All students must undergo a CHBC upon acceptance into the Nursing Program. CHBC results are sent to the clinical agencies, who have sole discretion to decide if the student may engage in patient care at the agency. If a student is denied the opportunity to participate in the clinical agency as a result of the findings of the CHBC, the student will be dismissed from the Nursing Program.

Students must satisfactorily complete all 100-level courses to progress to 200-level nursing courses. Students who do not meet pre-requisite and co-requisite course requirements and/or grade requirements will not be able to progress in the Nursing program.

Students must complete the Nursing program in three years from the start of the first Nursing course. Students who do not complete the program within three years must wait five years before reapplying to the Nursing program. A minimum grade of “C+” is required in all courses in the Nursing Program of Study including General Education and Science courses.
