

**Rowan College of South Jersey
Associate in Science (A.S.) in
Social Service
Transfer Program Requirements
Suggested Four Semester Sequence of Courses**

This program allows students to tap into their natural ability to interact with others, and that capacity is refined into a valuable skill with rewarding professional opportunities. Students receive the practical and theoretical education necessary for success, professionally or at a four-year college. Students who have completed the program will be able to:

- Demonstrate a knowledge and acceptance of social work values and ethics.
- Describe the social workers' role within the social service field.
- Implement a multidisciplinary approach to problem solving intervention.
- Locate, retrieve and critically evaluate information and information sources related to the profession.
