Associate in Science (A.S.) – Transfer

The Business Administration program gives students a broad introduction to business while preparing them for transfer to a four-year institution. The curriculum meets the requirements of the first two years of study at most colleges and universities. This program has additional globally recognized accreditation through the Accreditation Council for Business Schools and Programs (ACBSP).

Program Learning Outcomes

Students who have completed the program will be able to:

- Apply and integrate functional business knowledge to interpret financial information and other business related situations
- Utilize technology to capture, analyze and communicate information that supports business processes and decision-making
- Explain economic, legal and social frameworks in which business operates
- Analyze ethical conduct and diversity in a global business environment
