Associate in Science (A.S.) – Transfer

The goal of this program is to provide the first two years of a Health, Physical Education & Recreation baccalaureate degree program for students who wish to transfer to a four-year institution as a Health, Physical Education & Recreation major.

Program Learning Outcomes

Students who have completed the program should be able to:

- Demonstrate an understanding of pedagogy and core educational practices of physical education teachers
- Demonstrate an understanding of pedagogy and core educational practices of health education professionals
- Demonstrate a foundation of knowledge required to promote fitness, health, and recreational activities to sustain lifelong wellness
- Analyze, evaluate, and provide basic care in emergency situations.
