

Rowan College of South Jersey
ENGINEERING SCIENCE CERTIFICATE OF ACHIEVEMENT
Certification Requirements

The Certificate of Achievement gives students the knowledge and skills needed for employment in their respective fields. They will provide students with a concentration of courses that can be taken in conjunction with those required for the A.S. Engineering Science degree program. If the student decides to continue with the remaining course requirements leading to an associate degree in Engineering Science, the certificate will allow them to take the additional courses needed for transfer and can be used as Program Electives.
