

[COA-CACC; CIP Code 510801]

Certificate of Achievement

The CCMA certificate program at RCSJ provides the requisite training for entry-level postsecondary medical assistant students through classroom, laboratory and supervised clinical instruction and practice. CCMA program graduates receive a Certificate of Achievement upon completion of all program components. Students in good academic standing are eligible to take the national credentialing exam at the completion of all program requirements.

For more information visit
RCSJ.edu/gc/CCMA.

Please note:

Beginning in fall of 2020, the CCMA program has a revised curriculum. Students may apply through the selective admission process located on the College web site. The program will require 29 credits and can be completed in two semesters. The program is eligible for Financial Aid for those who qualify. Additional information about the selective admissions process can be found at RCSJ.edu/gc/SelectiveAdmissions.
