

[COA-CACS; CIP Code 15.1001]

Certificate of Achievement

The Professional Development Certificates in the Engineering Technologies Construction Supervision program will provide the students with a concentration of courses that parallel the Associates Degree program. The certificates below give students the knowledge and skills needed for employment in their respective fields. Once a certificate is completed, students can continue with the remaining course requirements leading to an A.A.S. degree in Engineering Technologies from Rowan College of South Jersey.

Engineering Technologies Construction Supervision, COA
