

**Rowan College of South Jersey
Academic Certificate in
Ceramic Technology
Transfer Program Requirements
Suggested Four Semester Sequence of Courses**

Clay College's credit and continuing education ceramics courses are popular among young and old students who take the courses during the day, in the evening and on weekends. Students can take ceramics courses with a career in mind or for personal enrichment. Both credit and non-credit students learn to mold and fire ceramics, and "throw pots" at Cumberland County College's Clay College, located on High Street in the Millville Arts District. Residents and students of Clay College form distinctive pottery and sculpture by using various hand building techniques including pinch, coil slab and the pottery wheel. Students who have completed the program will be able to:

- Demonstrate basic concepts of structure and construction techniques
- Recognize and demonstrate use of tools and materials associated with three-dimensional design.
- Analyze glaze and clay formulation, operate kilns and other studio equipment.
- Perform basic maintenance of a functioning ceramic studio.
- Design and write a business plan, resume, artist statement and bio.

First Year

Fall Semester

		Credits
___AR 110	Fundamentals of Drawing I	3
___CR 101	Ceramics I	3
___EN 101	English Composition I	3
___	General Education Humanities Elective	3
		12
