

ROWAN COLLEGE OF SOUTH JERSEY
GLOUCESTER COUNTY FIRE ACADEMY
TRAINING NOTICE

COURSE: **Lithium Batteries**

DATE/TIME: Wednesday, July 30, 2025, 1900 - 2100 hrs. OR
Monday, August 11, 2025, 1900-2100 hrs.

CLASS SIZE: 32

FEE: \$25.00

LOCATION: GLOUCESTER COUNTY FIRE ACADEMY, CLARKSBORO

COURSE DESCRIPTION:

Lithium-ion battery-powered devices — like cell phones, laptops, toothbrushes, power tools, electric vehicles and scooters, are being deployed globally. Despite the many advantages of lithium-ion batteries, a significant safety drawback is the possibility that these batteries can overheat, catch fire, and cause explosions. Fires involving various lithium-ion battery products have increased at an alarming rate, resulting in numerous injuries and fatalities. Even when the initial cause of a fire was not the lithium-ion powered device, the involvement of these batteries can increase the intensity and magnitude of the fire.

In this course, we will go over battery construction, locations they can be found, different hazards, mitigation techniques, prevention techniques, and clean up.

REGISTRATION:

Please make all checks and vouchers payable to the Rowan College of South Jersey. Payment in full or department voucher must accompany registration to confirm and guarantee seating. No refunds, however, substitutions are permitted. Registration closes when class limit of 32 is reached. An online registration form can be found at: <https://rowancollege.wufoo.com/forms/snzinty0y2cu49/>
All class offerings can be viewed at: <https://www.rcsj.edu/FireAcademy>
