

High School Senior Information

In New Jersey, students have access to a variety of postsecondary institutions, including two-year community colleges, four-year colleges and universities, and proprietary schools. These institutions provide highly diversified programs of study to meet the individual needs of students as they prepare for future careers.

The GEAR UP program at RCSJ will provide students with college-readiness skills to ensure they are ready to enter and graduate from postsecondary education.

- At many institutions, the SAT/ACT test is now optional, but we encourage GEAR UP students to take this exam for academic scholarship consideration.
- Review your transcript to see if you have taken the necessary courses for admission to college. Work with your counselor to adjust your roster if necessary.
- Strive to maintain an “A” or “B” average.
- Continue visiting college campuses. Meet with college admissions officers whenever possible.
- Attend college fairs and admissions presentations in your area.
- Select 3-6 colleges or universities and complete applications to those schools in the fall. Review your college application plan with your guidance counselor.
- Complete the Free Application for Federal Student Aid in October.
- Discuss scholarship opportunities with your guidance counselor and college access coordinator.
- Research scholarships and apply for those that interest you.
- Make sure you visit your most interested universities and carefully review financial aid data. Consider all variables involved before selecting your college.
- Keep abreast of any placement tests or orientation programs at your college. Don't miss any important deadlines regarding enrollment and/or housing deposits. Be sure to check your college-assigned email inbox.

Apply to schools that most suit your interests and your objectives. You can obtain applications online through a college's website or The Common Application.
