

VINELAND – Dr. Jill Mortensen, D.O., FAAFP, Foundation Board Member, gave a gift of \$18,000 to the *School Counts!* Scholarship Program administered by the Cumberland County Campus Educational Foundation at Rowan College of South Jersey – Cumberland Campus. The *School Counts!* Program is a unique scholarship created specifically for Cumberland County residents. It provides two-year scholarship support to RCSJ-Cumberland for students who earn four consecutive *School Counts!* certificates from 9 participating high schools. Students have the opportunity to participate in an internship program with participating *School Counts!* employers. The program has also extended scholarship opportunities to Rowan University.

"*School Counts!* means hope. Hope in knowing my trails can be turned into triumphs, and I believe in hope because it will help me obtain my goals."

- Laila Perez, *School Counts!* Scholarship recipient

"I'm a very strong supporter of education for our local students. I know higher education will broaden the possibilities for our young population and is also a key to success and growth for our whole community. I know our college plays a huge role in this community and I am happy to be a part of the success story of these ambitious students." –Dr. Jill Mortensen, D.O., FAAFP, Cumberland Family Medicine Associates
