NJ College Promise

The New Jersey College Promise Program is the State's commitment to creating an affordable pathway to a college degree. It consists of two life-changing programs used in tandem: the Community College Opportunity Grant (CCOG) and the Garden State Guarantee (GSG) that promise transparent, predictable pricing for up to four years of college here in New Jersey. Based on your income, your degree may be tuition-free!

You will automatically be considered for CCOG and GSG when you complete the Free Application for Federal Student Aid (FAFSA) or, if you qualify as a NJ Dreamer, the NJ Alternative Financial Aid Application.
