Cancellation and Liability Information —please read

Canceling your aid still holds you financially responsible for any college-related expenses upon your registration for classes at a previous time per that term. Students are responsible for all registration related charges that have accrued on their account. These charges include but are not limited to tuition and fees, lab fees, book vouchers, health insurance, liability insurance for nursing students, and program fees for nursing and Ford Asset students. Students are encouraged to plan and budget for all incurred educational and non-educational related expenses they may encounter while enrolled as an RCSJ student.

Regardless of whether a student receives any form of financial aid (grants, loans, scholarships, and/or tuition waivers), the student must understand they are PERSONALLY RESPONSIBLE for all financial charges they accrue at RCSJ. The College may permit any student to register before determining a student's eligibility for the federal or state grants, loans, scholarships, or tuition waivers. If, FOR ANY REASON, a student should become ineligible for federal and/or state grants, loans, scholarships or tuition waivers or other types of financial aid, the student agrees to pay their account in full including any collection and/or attorney's fees that may be incurred by or on behalf of the College to satisfy the student's personal financial obligations.

I also understand all the information stated above and other information supplied to the college is true and accurate to the best of my knowledge.
