Western Civilizations: Their History & Their Culture, by Cole & Symes, 18th edition, packaged with Perspectives from the Past, Vol. 2, by Brophy, 6th edition: W.W. Norton

**Student Assessment**

**Academic Integrity**
Plagiarism is cheating. Plagiarism is presenting in written work, in public speaking, and in oral reports the ideas or exact words of someone else without proper documentation. Whether the act of plagiarism is deliberate or accidental [ignorance of the proper rules for handling material is no excuse], plagiarism is, indeed, a “criminal” offense. As such, a plagiarized paper or report automatically receives a grade of ZERO and the student may receive a grade of F for the semester at the discretion of the instructor.
