**Required Texts and Other Materials**

**Student Assessment**
The student’s learning assessment will be based on in-class exams that will cover the readings, class discussions, lecture notes, and handouts. A final project will be accomplished that provides an opportunity to apply that which has been learned to a new situation. Participation in class discussions, group exercises and panel discussions are also included in the semester’s evaluation. Each student is responsible for keeping an academically focused reflective journal during the semester. Additional student work which will provide evaluation of student learning includes attending a religious service and watching popular movies to identify religious themes.

**Academic Integrity**
Plagiarism is cheating. Plagiarism is presenting in written work, in public speaking, and in oral reports the ideas or exact words of someone else without proper documentation. Whether the act of plagiarism is deliberate or accidental [ignorance of the proper rules for handling material is no excuse], plagiarism is, indeed, a “criminal” offense. As such, a plagiarized paper or report automatically receives a grade of **ZERO** and the student may receive a grade of **F** for the semester at the discretion of the instructor.

**Available Resources**

A withdrawal may cause harmful repercussions to completion rate standards and overall GPA which can limit or eliminate future financial aid in addition to causing academic suspension.
