

RCSJ REFUND INFORMATION SUMMER & FALL 2026

You may make changes to your schedule online through the Unregister/Add period of the term in Self Service.

Note: students with holds on their accounts cannot make schedule changes online!

Enrollment changes may be submitted on the Registration Form with your advisor and submitted to the One Stop.

* **Unregister:** students must unregister classes before the semester begins or during the unregister/add period to avoid owing a bill. An unregistered class does NOT appear on the student's transcript and can be processed online through Self Service or in person at the Enrollment Services One Stop Office. Unregistered course(s) done *In-Person* must be done prior to *Online* deadlines, during One Stop business hours.

****Drops:** students dropping from a course after the 100% unregister/add period must see an advisor to fill out the proper paperwork to officially drop a course. In addition, the student will owe the full cost of the course, receive a W on their official transcript, and it will affect academic progress.

The above refund schedule applies to credit class enrollment only. Administrative unregisters or removal from classes, for any reason, forfeits all refunds.
