

Degree Offered

Associate in Applied Science
Business Management/Finance

Curriculum Code: BUS.MGT.FIN.AAS

Program Information

Prepares students for entry-level management positions in all sectors of business, government, social service and not-for-profit agencies, with a concentration in finance.

Business programs focus on the education and skills needed in today's global business environment. Practical courses coupled with general education offerings enhance development of critical thinking, communication, and problem-solving skills, as well as adaptability and team work.

When You Graduate

AAS programs are designed for students who want to enter a career directly after graduating but those who change their plans find that most of their Cumberland credits transfer to four-year colleges.

Students are encouraged to visit the NJ transfer website: www.njtransfer.org for transfer course equivalencies.

Cumberland graduates have transferred to every university in New Jersey and scores of universities throughout America.

The latest technology and learning tools support your education for a wide range of employment opportunities.

This program prepares students for entry-level positions in all sectors of business, government, non-profit and social services agencies with a concentration in finance. Employment opportunities include positions in financial occupations such as finance, credit and collections, and investments.
