

Placement Testing: Multiple Measures @ RCSJ – Cumberland Campus

To accelerate the remediation process, we offer Multiple Measures as alternatives to Accuplacer placement:

*READING:

- 1) Retest via the Nelson-Denny Exam - Score of 12.5+ places at college level, or
- 2) Achieve "PHS" (Post high-school) on the Gates-MacGinitie Reading exam (BHS offers), or
- 3) Achieve 450+ on SAT Evidence-based Reading & Writing - places at college level reading, or
- 4) Achieve 4 or 5 (750+) on PARCC/NJSLA grade 11 English Language Arts & Literacy = college level, or
- 5) Achieve 21 on ACT Reading – places at college level Reading
- 6) Achieve 21 as the ACT Composite score – places at college level Reading, English and Math
- 7) Achieve 15 on HiSET Lang. Arts Reading – places at college level Reading

*ENGLISH:

- 1) Achieve 450+ on SAT Evidence-based Reading & Writing - places at college level English, or
- 2) Achieve 4 or 5 (750+) on PARCC/NJSLA grade 11 English Language Arts & Literacy = college level, or
- 3) Achieve BOTH: 21 on ACT English and 21 on ACT Reading – places at college level English
- 4) Achieve 21 as the ACT Composite score – places at college level Reading, English and Math
- 5) English Brush-up class (\$40) with exam and possible college level placement
- 6) Achieve BOTH: 15 on HiSET Lang. Arts Writing & 15 on HiSET Lang. Arts Reading = college level English

*Please note: college level English placement is determined by a combination of English & Reading scores.

MATH:

If students achieve **250-254** on the Accuplacer **Quantitative Reasoning, Algebra & Statistics**, options include:

- 1) If Pre-calculus taken in high school, bring HS transcript to the Testing Center to be placed into college level math, or
- 2) Achieve 500+ on SAT Math - places at college level math, or
- 3) Achieve 4 or 5 (750+) on PARCC/NJSLA Algebra II exam – places at college level math, or
- 4) Achieve 21 on ACT Math - places at college level math
- 5) Achieve 21 as the ACT Composite score – places at college level Reading, English and Math
- 6) Algebra Brush-up class (\$40) with exam and possible college level placement

If students achieve **200-259** on **Arithmetic** and **200-249** on **Quantitative Reasoning, Algebra and Statistics**, options include:

- 1) Arithmetic Brush-up class (\$40) with exam and possible MA094 placement
