CTE Acceptance of terms of Drug and Alcohol Use Policy

It is strictly forbidden to be under the influence of alcohol, illegal narcotics, chemicals, psychedelic drugs or other controlled substances by an individual engaged in college related activities.

It is expected that students will come to class, laboratory and externship in a condition fit for the competent and safe performance of their duties and that such fit condition will be maintained throughout the scheduled time. The objectives of this policy are to identify the impaired students, maintain an environment that allows students to enjoy the full benefits of their learning experience and ensure safe, competent client care.

Faculty are accountable for ensuring that students are in fit condition to participate in program related activities and for taking prompt, appropriate and decisive action whenever a student seems to be impaired. Students who arrive in the classroom, lab, externship location or other assigned area and are considered by their instructor to be impaired may expect to:

- Have their behavior witnessed and documented
- Be questioned in private as to the nature of their problem
- Be asked to undergo a medical evaluation (which includes blood alcohol level and/or urine testing) in an Emergency Room or laboratory facility and have their behavior witnessed by another healthcare professional
- Meet with the Director of Career and Technical Education
- Be referred for counseling
- Be dismissed from their program of study
- Be ineligible for readmission

When a student is in possession of or using alcoholic beverages or illegal or unprescribed controlled chemicals on college or externship properties, the student may be assigned a grade of "F" and be dismissed from their academic program. I have read and understand the Career and Technical Education's Drug and Alcohol Use Policy.

TO: All Candidates for Certification as a Nurse Aide

SUBJECT: Fingerprint Process

New Jersey law requires that every candidate for certification as a nurse aide must submit to a fingerprint process before the Department can grant certification (N.J.S.A. 26:2H-83, et seq.). You must provide fingerprint impressions that will be used to check the criminal history records of the New Jersey State Police and the Federal Bureau of Investigation (FBI) to determine if you have been convicted of a disqualifying offense. Also, we will be notified if you are convicted of an offense at a later date.

In order to have your fingerprints taken, you must make an appointment with the vendor designated by the New Jersey State Police to take fingerprint impressions. To make an appointment please go to <https://uenroll.identogo.com> and provide the following information:

SERVICE CODE: 2F13B1

CONTRIBUTOR CASE NUMBER: CNA

On the day you report for your fingerprint appointment you **MUST BRING A PHOTO ID ISSUED BY A GOVERNMENTAL AGENCY** (see the list of approved identification documents on reverse side).

US Citizens will be required to enter their social security number* at the time of your fingerprint appointment. Failure to provide the social security number will prevent you from completing the appointment. Be sure to have your number available at the time you are fingerprinted. If you do not have access to the Internet, call MorphoTrust toll-free at **(877) 503-5981**** during regular business hours. **You are not required to pay for these services.** The Department of Health will pay for your fingerprints and the scanning service. Remember, you must still complete a notarized "Criminal Background Investigation Application" and mail it to the Department. Failure to complete the application can result in denial of certification or a delay in processing your results.

You have the right to know that we do not share, disseminate or disclose the information we receive during this process and that we do not retain the information after it is used. Also, if we inform you that we have found information that could disqualify you from certification you have the right to complete the record and/or challenge the accuracy of the criminal history before we act on the information. You will be given at least thirty days to correct or complete the record. We will provide you with information on how to correct your record or challenge the accuracy of the criminal history report as well as the source of the information in the notice we send to you.

Please take a moment to review the Federal Privacy Act Statement and a statement of your rights as an applicant submitting fingerprints for a non-criminal justice purpose found online at www.nj.gov/health/fingerprinting. 1. Answer BOTH screening questions.
2. If you answer YES to either or both questions, you must provide the items listed on the reverse side of these instructions with this application. NOTE: Answering YES does NOT necessarily prevent an individual from obtaining certification. However, answering NO, if the person has been convicted of disqualifying offenses, will result in disqualification from certification for at least two (2) years.
3. State law allows a person who has not been convicted of a disqualifying offense to work as a Nurse Aide, Personal Care Assistant, or Assisted Living Administrator for up to 120 days while the criminal history background check is being conducted. If you have answered NO to both questions, please provide a copy of the application to your employer as proof of this eligibility.
4. The completed application MUST be notarized, or it will be returned. Remember, this application is a sworn affidavit. False statements are punishable by law. Please send all material to:
