

Friendly Visitor/Caller Program

Our welcoming visitor/caller program aims to provide senior citizens with the chance to enjoy a companion visit or phone call at least once or twice a week.

This can include:

- Reading to the senior aloud
- Playing a game
- Taking a short walk
- Sitting outside in the fresh air
- Listening to music
- Chatting about current events
- Looking at photos
- Any other type of activity a senior might enjoy

Why is the Friendly Caller Program Unique?

- Encourages connection between individuals in the community.
- Allows those receiving calls to have meaningful conversations.
- Inspires sharing of hobbies and interests over the phone.
- Is accessible to those who cannot leave home easily.

If you'd like a weekly visit or phone call from a friendly senior volunteer call the **Gloucester County AmeriCorps Seniors**
