Rowan College of South Jersey – Gloucester Campus

2026 Institutional Profile

PREFACE

To Our Partners in Learning:

I am pleased to submit Rowan College of South Jersey's Institutional Profile for the fiscal year spanning July 1, 2025, through June 30, 2026. Throughout the year, RCSJ remained steadfast in its mission to empower students and communities through accessible, affordable, and transformative educational opportunities. Serving students across both the Gloucester and Cumberland campuses, the College continued to advance academic excellence, career training, student success, and community engagement while strengthening pathways to higher education and career advancement.

Leadership & Institutional Advancement

This year marked an important period of transition and progress for the College. On January 20, 2026, the Rowan College of South Jersey Board of Trustees announced the appointment of Brenden Rickards, Ph.D., as the College's second president. Following his appointment as interim president on July 1, 2025, Dr. Rickards demonstrated visionary leadership and a continued commitment to student success. His official inauguration is scheduled for September 29, 2026.

In June 2026, the College received confirmation from the Middle States Commission on Higher Education that its accreditation status had been reaffirmed. This accomplishment reflects the collective efforts of faculty, staff, administration, and stakeholders who participated in the comprehensive self-study process. The findings from the review will serve as a foundation for the development of the College's next Strategic Plan and support its ongoing commitment to continuous improvement and student-centered excellence.

Academic Excellence & Career Pathways

RCSJ continued to enhance educational opportunities by expanding academic and workforce programs that meet regional employment needs. In September 2025, the Cumberland Campus introduced several new offerings through the Career and Technical Education Division, including Registered Dental Assistant, Certified Dental Office Assistant, Dental Radiology Technician, and Professional Continuing Education programs. These additions provide students with direct pathways into growing healthcare professions.

The Cumberland campus hosted its third annual Cybersecurity Symposium in October 2025 in partnership with Burlington County College. Sponsored through the National Science Foundation Hispanic-Serving Institutions program, the symposium brought together students, educators, and industry professionals to explore emerging issues related to cybersecurity, artificial intelligence, and digital defense.

In November 2025, RCSJ launched the Keating Family Presidential Institute for First-Generation Students. Established in honor of President Emeritus Dr. Fred Keating, the Institute provides mentorship, resources, and a supportive community for first-generation college students. The Keating family further demonstrated its commitment by establishing the Institute's inaugural scholarship endowment to support future student success.

Rowan College of South Jersey – Gloucester Campus

2026 Institutional Profile

Also, in November 2025, RCSJ partnered with First Harvest Credit Union and the Gloucester County Board of Commissioners to establish the First Harvest Financial Innovation Lab on the Gloucester Campus. Supported by an \$85,000 donation from First Harvest Credit Union, the lab creates opportunities for financial literacy education and practical workforce development experiences.

The College also expanded its Accelerated Pre-Pharm.D. Program to both campuses. Through strategic partnerships with designated universities, students can now complete their pathway to a Doctor of Pharmacy degree in five to six years rather than the traditional eight-year track, significantly reducing both time and costs.

As part of NJ STEM Month 2026, the College welcomed more than 100 students from 11 South Jersey high schools to STEM Discovery Day. Students engaged in hands-on activities designed to inspire future STEM majors focusing on careers in science, technology, engineering, and mathematics.

In April 2026, the College's Tri-Alpha National Honor Society and Business Studies Division hosted "First to Class – First to Market," connecting students with successful first-generation business leaders and providing insight into academic and career pathways and entrepreneurial success.

The academic year concluded with commencement ceremonies celebrating the achievements of the Class of 2026. Approximately 400 graduates participated in ceremonies at each campus, while nearly 1,450 degrees and certificates were awarded. These ceremonies reflected the perseverance, dedication, and accomplishments of RCSJ students and reinforced the College's commitment to educational attainment and career readiness.

Career & Technical Training

RCSJ's Career & Technical Education (CTE) programs continue to expand educational and career opportunities through innovative programs and partnerships. CTE received a \$225,000 Smile Grant from Delta Dental of New Jersey and Connecticut, awarded over three years to enhance the Dental Assisting Program and support the development of a future Dental Hygiene Program. A new pathway with Cape May County Technical School allows Dental Assisting graduates to receive up to 29 college credits toward RCSJ's Associate in Applied Science in Dental Assisting or Dental Assisting Certificate. RCSJ dental students are also gaining statewide recognition, earning third place at the New Jersey Registered Dental Assistants Association table clinic competition for a presentation on forensic odontology.

RCSJ's Ford ASSET Program continues to excel, exceeding national averages in enrollment and graduation rates, earning a \$5,000 Ford Performance Award.

In healthcare, RCSJ is partnering with the New Jersey Community College Consortium to provide an eight-student Certified Nursing Assistant cohort beginning in September, supported by \$21,600 in funding that will allow students to complete the training at no cost.

Student Success

RCSJ students continued to receive recognition at the state level for their academic accomplishments. In Fall 2025, four students from the Gloucester and Cumberland campuses were named to the New Jersey All-State Academic Team by the New Jersey Council of County Colleges. In April 2026, the College

Rowan College of South Jersey – Gloucester Campus

2026 Institutional Profile

hosted the 2026 New Jersey All-State Academic Team Awards Ceremony at the Cumberland Campus, honoring 46 students representing all 18 community colleges in New Jersey.

Additionally, the College's Phi Theta Kappa chapters at both campuses were recognized as 2025 REACH Chapters, reflecting excellence in membership development and student engagement.

RCSJ student-athletes continued to distinguish themselves through exceptional performances and program achievements. The Gloucester Campus Roadrunners received the Ron Case National Alliance of Two-Year College Athletic Administrators Cup in recognition of overall excellence in two-year college athletics.

The nationally recognized Roadrunner Baseball program celebrated its third consecutive NJCAA Division III National Championship, with team members receiving championship rings in December 2025.

Women's basketball also achieved significant success during the year, capturing the program's fifth Region 19 Championship and earning a berth in the NJCAA Division III National Championship Tournament.

The College expanded opportunities for female student-athletes by announcing women's flag football programs at both the Gloucester and Cumberland campuses, with inaugural seasons scheduled for Spring 2027. Both campuses received grant funding through the NJCAA Foundation, NFL Flag, and Reigning Champs Experiences to support the development of the programs.

Community Engagement & Public Service

RCSJ continued to serve as a valuable community partner through outreach initiatives that addressed local and regional needs. In September 2025, the College participated in the statewide Feed the Future: Fight Student Hunger campaign, a collaborative effort focused on combating food insecurity among community college students across New Jersey.

In October 2025, RCSJ partnered with Gloucester County Addiction Services, Rowan-Virtua School of Osteopathic Medicine, and Living Proof Recovery Center to host Save a Life Day on the Gloucester Campus. The event provided Narcan education and distribution while connecting community members with resources designed to combat substance use disorders and remove barriers to recovery.

The College also remained committed to supporting service members, veterans, and their families. Recognized as both a 2025-2026 Military Friendly School and Military Friendly Spouse School, RCSJ hosted its annual Veterans Day Celebration and Military Resource Event, connecting veterans and military families with educational, community, and support services.

Accessibility & Inclusion

RCSJ strengthened its commitment to inclusivity and student support through initiatives that expanded opportunities for underserved populations. In October 2025, the Gloucester Campus celebrated the opening of the Residence on South College Drive, a 24-unit housing complex developed in partnership with the Gloucester County Housing Authority and Housing Development Corporation. The facility provides safe and supportive housing for individuals with special needs.

Rowan College of South Jersey – Gloucester Campus

2026 Institutional Profile

In February 2026, the College celebrated the grand opening of Together Café Too within the Gloucester Campus Library. Developed through partnerships with the Adult Center for Transition Program, Gloucester County Special Services School District, and Gloucester County Commissioners, the café serves as a job-training and employment site for individuals with physical and developmental disabilities. The opening marked the third Together Café location across the College's two campuses.

Advancement & Foundation Support

Generous donor support continued to create meaningful opportunities for students and strengthen the College's mission. In October 2025, RCSJ and the RCSJ Foundation hosted the 4th Annual President's Golf Classic at Pitman Golf Course in support of the College's Adult Center for Transition (ACT) Program. The event achieved record participation with 108 golfers and raised more than \$30,000 to support programs and services that provide educational and workforce opportunities for adults with disabilities.

In December 2025, the Lauren Rose Albert Foundation established a \$10,000 endowment that will provide annual scholarships for students pursuing healthcare careers, with preference given to single parents.

In April 2026, The College's Foundation hosted the 2026 Blue & Gold Gala, bringing together more than 200 supporters and raising over \$100,000 to support student success initiatives. During the event, the Foundation announced the creation of the Benjamin T. Griffith Memorial Scholarship Fund through a \$100,000 endowment established by Mary Jane Griffith. The fund honors the legacy of Benjamin T. Griffith and will provide annual scholarships to students demonstrating strong community engagement and leadership.

Conclusion

This year was defined by growth, innovation, and achievement across Rowan College of South Jersey. From expanded academic pathways and student support initiatives to national athletic accomplishments, community partnerships, and reaffirmed accreditation, the College continued to advance its mission while preparing students to succeed in an evolving world.

RCSJ remains committed to fostering student success, strengthening communities, and creating transformative opportunities that positively impact the region for generations to come.

Sincerely,

Brenden Rickards, Ph.D.

President

A. ACCREDITATION STATUS

1. Institutional Accreditation

Rowan College of South Jersey is licensed by the State of New Jersey. It is accredited by the Middle States Association of Colleges and Schools Commission on Higher Education. Initially accredited in 1973, accreditation was reaffirmed in 1977, 1987, 1998, 2008, 2018, and 2026. Middle States approved the merger between Rowan College of Gloucester County and Cumberland County College on June 28, 2019. The next accreditation self-study review is scheduled for 2033-2034.

2. Professional Accreditation

The following academic programs offered on the Gloucester Campus are individually accredited:

Program	Accrediting Agency
Accounting Business Administration Business Software Tools Digital Marketing Entrepreneurship Human Resource Management Management	Accreditation Council for Business Schools and Programs (ACBSP)
Automotive Technology	ASE Education Foundation
Diagnostic Medical Sonography	Commission on Accreditation of Allied Health Educational Programs (CAAHEP) Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS)
Nuclear Medicine Technology	Joint Review Committee on Educational Programs in Nuclear Technology Medicine Technology Bureau of X-Ray Compliance, New Jersey Department of Environmental Protection Agency
Registered Nursing	Accreditation Commission for Education in Nursing (ACEN) NJ Division of Consumer Affairs, New Jersey Board of Nursing
Paralegal	American Bar Association—ABA Standing Committee on Paralegals
Physical Therapist Assistant	Commission on Accreditation in Physical Therapy Education (CAPTE)
Practical Nursing	NJ Division of Consumer Affairs, New Jersey Board of Nursing
Veterinary Technology	Pending accreditation through the American Veterinary Medical Association Committee on Veterinary Technology Education and Activities (AVMA CVTEA)
