## How to Submit Your Complete Portfolio

---

All applicants to the Radiography Program must review the 2027 Radiography Admissions Handbook **before** completing the portfolio. The Admissions Handbook contains all current policies and procedures for submitting a complete portfolio.

Complete Radiography Portfolios may be submitted at any time from January 5, 2027, until February 26, 2027. **Complete portfolios can be submitted either in-person to the Cumberland Admissions Office or by mail. Electronic submissions of portfolios are not accepted.**

Once submitted, the portfolio is a final document and property of the College. Students cannot add, edit, or remove documentation from their portfolio after submission. Portfolios will not be reviewed by RCSJ Staff for completion prior to submission.

Compile all required documentation in a large manila envelope. Do not use file folders, binders, folders with sheet protectors, or mailing envelopes. Your portfolio should be able to be sealed with all documents inside. Manila envelopes can be found at most stationery stores, wholesale retailers (ex. Walmart or Target), and post offices.

**Write on the front of the manila envelope:**

- |                          |                                |
|--------------------------|--------------------------------|
| • Student's Name         | • 2027 Radiography Portfolio   |
| • RCSJ Student ID number | • Date submitted and initialed |

**If mailing the portfolio, please use the address below:**

Rowan College of South Jersey  
Cumberland Campus  
ATTN: Selective Admissions Radiography Portfolio  
3322 College Drive, Vineland, NJ 08360

A complete Radiography Portfolio means it contains all required documents listed on the program checklist and all general and selective admission requirements have been satisfied. If these conditions are not fulfilled, your file will be **incomplete** and not considered for admission to the program.

The document order of the portfolio should follow the document order of the checklist on the next page. If a requirement listed is not applicable to you, it does not need to be included in the portfolio.

Applicants should contact Cumberland Admissions with any questions on whether a document needs to be included **prior** to submission of their Radiography Program Portfolio.

## 2027 Radiography Portfolio Checklist

Complete the following sections and include each document in your large manila envelope. Check each box as you include the document. The order of the portfolio should match the order of the checklist. **Do not** staple, paper clip, or binder clip the pages together. Please type or print clearly. **Use blue or black ink if handwriting application.**
