

[NALHLPNAAS; CIP Code 51.3801]

Associate in Applied Science (A.A.S.) – Career

The program combines general education with nursing courses to prepare currently Licensed Practical Nurses (LPN) for entry-level Registered Nursing (RN) practice.

Upon successful completion of the Nursing program, students are eligible to apply for state licensure and take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The Nursing program is approved by The New Jersey Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN).

Program Learning Outcomes

Graduates of the Nursing program will:

- Apply principles of evidence-based practice to patient care
- Value inter professional and community partners collaboration
- Demonstrate ethical and professional nursing practice

Special Admission Requirements

- Nursing is a selective admission program. Students who may qualify for the program must have graduated from an accredited LPN program and hold a valid unencumbered LPN license. Students must be accepted to the program prior to registering for any NURS classes.
- Please contact the Enrollment Services Office for an admission packet.
- Clinical agencies require criminal history background checks (CHBC) for all individuals engaged in patient care. All students must undergo a CHBC upon acceptance into the Nursing Program. CHBC results are sent to the clinical agencies, who have the sole discretion to decide if the student may engage in patient care at the agency. If a student is denied the opportunity to participate in the clinical agency as a result of the findings of the CHBC, the student will be dismissed from the Nursing Program.
- Students must satisfactorily complete all 100-level nursing courses to progress to 200-level courses. Students who do not meet prerequisite and corequisite course requirements, and/or grade requirements will not be able to progress in the Nursing program.
- Students must complete the Nursing program in three years from the start of the first Nursing course.
- Students who do not complete the program within three years must wait three years before reapplying to the Nursing program.
- A minimum grade of "C+" is required in all courses in the Nursing Program of Study including Nursing and Science courses.

Highlights

Since 2000, the NCLEX-RN pass rate has been greater than 90 percent. To learn more about the program or attend an information session, please visit RCSJ.edu/SelectiveAdmissions.
