Associate in Science (A.S.) – Transfer

This program provides an excellent foundation for transfer to four-year colleges and universities. The program is structured to provide the student with exploratory academic experiences in criminal justice.

Program Learning Outcomes

Students who have completed the program should be able to:

- Describe the criminal justice system
- Explain crime and criminological theories
- Explain crime sources, trends, and outcomes
- Articulate criminological theories
- Demonstrate current methods used for evidence collection and analysis
