

[EDUCITECOA; CIP Code 13.0101]

Certificate of Achievement

This career certificate is intended for use by professionals and paraprofessionals working in the field of infant/toddler care in all settings, including center-based care, family childcare programs, and in community-based programs that support infant, toddlers, and their families. By focusing on infant/toddler mental health and social/emotional development as well as adding an intensive supervised field work experience, candidates will increase knowledge and skills in caring for children birth through 36 months of age.
