The Rowan College of South Jersey's Office of Financial Aid has approved your SAP Appeal. You are now being placed on a SAP Plan for the semester. Your eligibility for the federal and state financial aid programs has been reinstated for as long as you are eligible and met the conditions of this SAP Plan. The terms of your SAP Plan are listed below. Failure to meet all terms of the plan will result in the loss of future aid eligibility. It is your responsibility to follow up with the Financial Aid Office after the semester to have your academic progress reviewed. If you met the terms of this SAP Plan, but are still not making academic progress overall, you will be approved to complete another SAP Plan for the subsequent semester. If you did not meet the terms of this SAP Plan and are not making academic progress overall, you will become ineligible for federal/state financial aid. You must consider an alternative payment arrangement, should you choose to enroll in a subsequent semester at Rowan College of South Jersey.

- \_\_\_\_\_ **If the SAP Plan is violated, you will no longer be eligible to receive aid in the future.**
  
- \_\_\_\_\_ **The SAP Plans may be signed off on in "good faith" assuming that coursework and GPA for the current semester will be satisfactory and the terms of the SAP Plan are met. However, if the terms of the SAP plan are not met, all future SAP Plans going forward will be VOID.**
  
- \_\_\_\_\_ **Failing to maintain at least a 2.0 GPA for the term in which this SAP Plan applies is a violation of the SAP Plan.**
  
- \_\_\_\_\_ **Violation of SAP Plan includes failing to enroll in the courses outlined by your degree program. Earning any negative grade statuses (i.e. F, FA, W, NA, X, R, RA, I) in any courses while on a SAP Plan.**
  
- \_\_\_\_\_ If awarded for a SAP Plan in the Summer semester, we may as a courtesy sign off on a SAP Plan for the upcoming Fall semester and place an award onto your account. However, if upon completion of the summer semester, the terms of the Summer Plan have been violated, the Fall SAP Plan can be voided, and you will be responsible for the bill: classes may potentially be dropped for non-payment.
  
- \_\_\_\_\_ Financial aid will only pay for one retake of a previously passed class. Passing grade statuses include A, A-, B+, B, B-, C+, C, D, or P.
  
- \_\_\_\_\_ Federal/state financial aid will only pay for courses that are part of your major and curriculum, leading up to graduation with an associate degree or an approved professional development certificate.
  
- \_\_\_\_\_ The Financial Aid Office strongly encourages you to seek assistance from your appointed academic advisor (including Rowan Choice, EOF, Special Services, TRIO programs, etc.). This is to provide you with the opportunity to develop a successful class schedule to help you regain and maintain satisfactory academic progress
  
- \_\_\_\_\_ Students who register for classes without the guidance of their appointed academic advisor accept all risks associated with violating federal/state academic progress standards. This may result in financial aid not paying for the classes you register for the term. You will be liable for any balance owed on the account.
  
- \_\_\_\_\_ All Financial Aid related as well as all other required documents must be completed and submitted before the SAP Plan for the semester.

**Student Certification and Understanding:** By signing below, I agree to all terms and conditions outlined in this Satisfactory Academic Progress (SAP)Plan. I understand that failure to meet the conditions of my SAP Plan will result in the loss of my future financial aid.
