

3+1 Program Equals Big Savings

The **3+1 Program** enables students in select majors to complete three years of coursework at Rowan College of South Jersey and one year at Rowan University to **earn a bachelor's degree for less than \$35,000**. The program follows Rowan University's course curriculum, with junior year classes taught by RCSJ advanced-degree faculty.

Get a head start in high school with RCSJ's 3+1 Program! High school students can jump-start their college journey by earning credits now — through High School Option Program (HSOP), Dual Credit, and career-focused certificates — saving time and money.
