

**Rowan College
of South Jersey**

Policy: 2017
Title: **TRAVEL EXCURSIONS**
Area: General Administration
Approved: 07/01/19

The College encourages its students and interested members of the community to have a wide range of experiences through activities and services offered through the College. The opportunity for national and international travel has been made available to students and interested members of the community through programs or activities offered by academic services, community services, and student activities.

The Board must approve all requests for international travel in advance of the travel announcement. Similarly, all requests for travel within the United States require the advance approval of the appropriate area vice president.

Administrative procedures will be developed for all travel excursions.
