

# Arts and Sciences: Digital Photography Option, A.A.

[AA-ASC-PHO; CIP Code 240101]

## Associate in Arts (A.A.) – Transfer

This program provides the general education foundation necessary for students who are planning to transfer to complete a baccalaureate degree. Using available elective credits students will focus on Digital Photography as a specific field of study.

### Program Learning Outcomes

Students who have completed the program will be able to:

- Communicate effectively in writing and orally
- Demonstrate an understanding of various scientific, artistic, social and historical ideas and perspectives
- Analyze information and use critical thinking to make decisions and solve problems
- Demonstrate a basic proficiency in digital photography and an aesthetic sense of art
