ECO 100: Introduction to Economics

Syllabus

Lecture Hours/Credits: 3/3

Catalog Description

Prerequisite: ENG 104 or RDG 099

This course introduces basic principles of economics and is for students who plan to take no other economics principles courses. It covers capitalism, scarcity, supply and demand, gross national product, inflation, unemployment, the Federal Reserve System, monetary and fiscal policies, and price determination under varying degrees of competition. Current economic issues are also discussed. ECO 100 does not satisfy requirements for a Business major.

Textbook and Course Materials

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook, and any other materials required for their specific course and section.
