EDU 105: Educational Technology

Syllabus

Lecture Hours/Credits: 1/1

Catalog Description

Prerequisite: RDG099 or ENG 104

This course focuses on the use of educational technology in support of student learning, and integration of technology into the N-12 curriculum. Strategies to incorporate technology and the World Wide Web into the school curriculum will be explored.

Each student will develop an online portfolio to demonstrate their growth over time and record evidence of their teaching competencies.

Textbook and Course Materials

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook, and any other materials required for their specific course and section.
