## Assignment Instructions and Grading Rubrics

### Criteria for preparing and submitting essays and Assignments

#### Essays (Based upon adherence to MLA style):

- All essays must be word-processed, double-spaced, on one side of standard-sized paper (8.5 x 11 inches) with top/bottom margins of 1 inch and left/right margins of 1.25 inches.
- A title page is unnecessary. Instead, provide the MLA four-line, double-spaced header in the top left corner of the first page. This header includes the student's name, instructor's name, course number and section, and the date submitted. Then, on this first page, center the title below the header, and begin the essay below the title.
- Pages must be numbered consecutively in the upper right corner, one-half inch from the top and flush with the right margin **and** include your last name.
- The Works Cited begins on a separate page, the last page, and is labeled Works Cited centered at the top of the page. Double-space within and between entries.

#### Assignments:

- All out-of-class assignments must be word-processed, double-spaced, on one side of standard-sized paper (8.5 x 11 inches) with top/bottom margins of 1 inch and left/right margins of 1.25 inches.
- When computers are provided, in-class writing assignments must follow the same format as describe above. When computers are not provided, students will write clearly in blue or black ink on one side of standard-sized, lined paper.
- Assignments must have the four-line MLA header – student's name, instructor's name, course number and section, and date due – in the upper left corner.
- All in-class writing assignments are due in class on the date they are assigned. Class absences do not cancel this policy.

#### Class Preparation and Participation Rubric:

- Arrives fully prepared at almost every session; plays an active, ongoing role in discussions; comments advance the level and depth of the discussion.

- Arrives mostly, if not fully, prepared; participates constructively in discussions; makes relevant comments based on the assigned material.
- Preparation is inconsistent; when prepared, participates constructively; when prepared, makes relevant comments based on the assigned material
- Infrequently prepared and infrequently participates; comments are generally vague; demonstrates a noticeable lack of interest.
- Rarely, if ever, prepared; rarely, if ever, participates; demonstrates a noticeable lack of interest; negatively affects discussion.
