SCI 110: WOMEN IN STEM SEMINAR

Syllabus

Lecture Hours/Credits:1/0/1

Catalog Description

Prerequisite: RDG 099 and permission by the Dean of STEM

The focus of this course will be on the history of women in science and current obstacles women face in scientific fields. We will discuss recommendations for change with the goal of encouraging the participation in and representation of women in science. Gender-inclusive alternative teaching methods that emphasize cooperative learning, group discussion and critical analysis will be incorporated.

Textbook and Course Materials

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook, and any other materials required for their specific course and section.
